

# Weston Primary School

Dear all

Thank you to our parents and carers for your cooperation and flexibility over the past week as we implemented temporary changes to our drop off and pick up procedures. Due to the icy conditions, it was necessary for us to make adjustments to ensure the safety of everyone involved. Back to normal drop off and pick up arrangements next week

Have a nice weekend

## ATTENDANCE

*Moments Matter, Attendance Counts*

Our OTIS programme (On Time, In School) is designed to promote the importance attendance.

Congratulations to Year 1 on having the highest weekly attendance at 97.1%  
Well done

Our fencing club was a huge success, giving the children a chance to develop their skills in this unique sport, under the guidance of trained coaches

## Should I keep my child off school?

### Yes

#### Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

### No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek
