

Spring 2 - Year 3

Knowledge & Understanding of the World

Humanities

We'll be learning the key features of volcanoes and earthquakes as well as comparing the human and physical geography of Pompeii & Runcorn.

Computing

This half term we will be learning how to communicate safely using the internet.

Science

We'll be completing our Science week at the end of term. Our next unit is light and shadows.

Art & Design

We'll be creating art inspired by the power of nature.

During our DT week, we'll be designing storm chasers!

Problem Solving & Reasoning

Maths

This half term, we'll be focusing on money and time. We'll be learning to add & subtract money and calculate change. Then we'll move onto telling time on digital and analogue clocks.

Personal, Social & Emotional Development

Empowering Learners

Our focus this half term is Reflective Learners.

RE

As we continue our year-long theme of Founders & Leaders, we'll pick up where we left off with Buddhism and discover what is expected of its followers.

Communication, Language & Literacy

Literacy

Non-Chronological Reports

We'll be learning how to write Non-Chronological reports. Our text this half term is 'Escape from Pompeii.'

Creative Development

PE

This half term our PE focus is Net & Wall Games.

Music

We'll be creating our own dramatic soundscapes to accompany our descriptive writing.
