MAY

Sponsored Reading Event

On **Monday 15th May**, we will start our week-long, whole school sponsored reading challenge. The aim is to read between 10-30 minutes a day.

The children have been asked to find people to sponsor them.

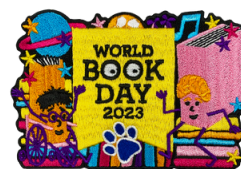

The money we raise will go directly towards improving our class and school libraries. Usbourne books will also give us an additional 60% of what the total we raise!

Please help us to enhance our reading resources for pupils by encouraging your child to spend a small amount of time each day either reading to themselves, to others, or being read to. They can read books, comics, magazines, newspapers, menus, websites, recipes, poems, leaflets, instructions – anything with words!
