

Weston Primary School

Dear all
Welcome back

We hope you all had a lovely half term break.

This week has been a short week at school. Children have been taking part in sports day practice this week in preparation for the main event next week. We are keeping our fingers crossed for nice weather on the day. We kindly ask that children wear their House colours on sports day. This will not only add to the fun spirit of the event but also foster a sense of teamwork and belonging among the pupils.

Please see page 2 for dates for the dairy.

Thank you for your ongoing support.

ATTENDANCE

Moments Matter, Attendance Counts

OTIS Award winners

Our OTIS programme (On Time, In School) is designed to promote the importance of attendance.

Our whole school attendance since September 4th = 95.2%
National attendance = 93.4%

Attendance this week

EYFS + KS1 Winners = EYFS = 98.9%

KS2 Winners = Year 4 = 98.2%

Congratulations to our attendance winners this week

CLASS TEACHERS SEPTEMBER 2024

Reception – Mrs Simpson

Year 1 – Mr Manning

Year 2 – Miss Watson

Year 3 – Mr Edwards

Year 4 - Mr Helsby

Year 5 – Mr Bullock

Year 6 – Mr Kelly

PPA Cover - Mrs Barrett

Provisional Date for Sports day is
Tuesday 11th June

Key Stage 1 Sports Day = 9:30am.

Key Stage 2 Sports Day = 1:45pm.

Children will need to wear
trainers, black shorts, and a t-shirt
in their house colour

Weston Primary School

ONLINE SAFETY INFORMATION

All National Online Safety, nos helpline or engagement services, emails and texted adults with the helpline/line to hold an helpline conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which our helpline trained adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, facts and tips for adults.

What Parents & Carers Need to Know about AGE-INAPPROPRIATE CONTENT

"Inappropriate" means different things to different people. What's acceptable for one age group, for example, may be unsuitable for a slightly younger audience. Online, young people can chance upon inappropriate content in various ways – from pop-up ads to TikTok videos. The increasingly young age at which children become active in the digital world heightens the risk of them innocently running into something that they find upsetting or frightening. Trained adults need to be able to help children be aware of what to do if they're exposed to age-inappropriate content.

WHERE IS IT FOUND?

SOCIAL MEDIA

Age-inappropriate content is easily accessible through many social media platforms. TikTok, for instance, is hugely popular with young people but is largely best known for being home to viral dancing or pranking. Some social media users also engage in speech or promote online gaming and esports, which could raise leading damage to a child's emotional and mental health.

GAMING

Gaming is an enjoyable source of entertainment, but many popular titles can expose children to inappropriate material such as violence, horror, gambling or sexually explicit content. Playing games unsuitable for their age risks normalising children what they are seeing. Some games also include in-game chat, where other (usually older) online players often use language that you probably wouldn't want your child to hear or repeat.

STREAMING

The range of video streaming services available online means that users can find almost anything they want to watch on demand. Children are therefore at risk of viewing TV shows and movies which contain nudity, drug and alcohol abuse, explicit language and extreme violence. Unfortunately, these streaming platforms can't always determine that it's not an adult who's watching.

ADVERTS

Online adverts frequently include age-inappropriate content, usually gambling adverts for alcohol or a mix of other items. Some search engines also feature adverts that are suggestive to your search history, so if you've recently looked up a new horror movie, chances are you'll see related advertorial ads, than the ads appearing on screen would reflect this the next time your child browses your device.

Advice for Parents & Carers

TALK IT THROUGH

Embarrassment or fear of getting into trouble can make it difficult for children to talk openly about age-inappropriate content they've watched. Reassure your child they can always come to you if they're troubled by something they've seen online, without worrying about consequences. Before offering advice, discuss what their aim, how they felt and how they came to find the content in question.

CONNECT, DON'T CORRECT

If your child's been particularly distressed by exposure to content that wasn't suitable for their age, it's important to offer guidance to prevent them from repeating the same mistake – but it's equally vital to help them deal with the emotions that the situation has raised. You could tell them about any similar experiences you might have had at their age, and how you dealt with it.

BLOCK, REPORT, CONTROL

After discussing the problem, you and your child can take action together. This could include blocking any inappropriate sites and reporting any content which violates a platform's rules. To further protect and limit child content, set up parental controls on internet-enabled devices that they use. This will significantly reduce the chances of your child being exposed to age-inappropriate content in future.

GET SPECIALIST HELP

Age-inappropriate content can have a negative impact on a child's mental health, which is sometimes displayed through changes in their behaviour. If the problem becomes more severe, you might consider reaching out to a mental health professional or an expert in this field who can provide you and your child with the proper support.

STAY CALM

Even though it is obviously difficult to stay calm in a situation where your child has been put at risk, it's essential to think before you react. Your child may well have hesitated to open up to you about browsing inappropriate content for fear of the consequences, so being calm and supportive will reassure the matter that it would be easy to talk to you about similar issues in the future.

Meet Our Expert

Caitley Pogson is a Registered Counsellor with The Health Professions Council of South Africa, and she runs a private practice offering counselling to children, teenagers and families. Her main focus is assisting caregivers and educators, the consistency on the mental health services of their world, as well as resources and techniques to understand and cope better.

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek

PARKING REMINDER

Recently, we have noticed a significant increase in the number of vehicles parking in an unsafe manner during drop-off and pick-up times. We understand that the school's location may pose challenges when it comes to finding suitable parking spots. However, we kindly ask that you remain mindful and considerate of others when parking your vehicles

TACKLING ILLEGAL PARKING

Parking illegally or inconsiderately can create significant problems for other road users and pedestrians, particularly those with push chairs or using mobility scooters.

Parking enforcement
In Cheshire East, Cheshire West and Chester, and Warrington

The enforcement of yellow lines, time-limited parking and other parking restrictions in Cheshire is entirely the responsibility of the local authorities and their parking enforcement teams.

Report online:

Cheshire East Council www.cheshireeast.gov.uk
Cheshire West and Chester Council www.cheshirewestandchester.gov.uk
Warrington Borough Council www.warrington.gov.uk

In Halton (Widnes and Runcorn)
The enforcement of yellow lines, time-limited parking and other

parking restrictions in Halton is the responsibility Cheshire Police. To report this please phone **101**.

Obstruction
A vehicle causing an obstruction is one which has been parked and left unattended in such a way that it is considered to be a hazard to pedestrians or other road users. For example, a car parked on a bend in the road. This also includes blocking free passage to pedestrians and blocking access to private or public property.

If you need to contact the police because a vehicle is causing a safety hazard or an obstruction on a public road, please contact Cheshire Police on the non-emergency number, **101**.

All road users need to be aware of and adhere to parking restrictions:

- No parking on bends
- No parking on zigzag lines
- Do not obstruct a resident's driveway
- Do not park on double lines
- Do not park on 'time-limited' single lines
- Do not cause an obstruction
