

Autumn 1 - Year 2

Communication, Language & Literacy

Literacy

The children focus on the story - Troll Swap. Here, the class will learn to write a narrative about two contrasting characters who swap places.

Problem Solving & Reasoning

Maths

Our Singapore Maths units this half term will cover Numbers to 100, Addition and Subtraction. Well will also recap Year 1 concepts and strategies too.

Creative Development

PE

This half term our PE topics are fundamental movement skills and Gymnastics- zigzag and straight.

Music

We will be looking at rhythm patterns this term. The children will be copying, creating, combining and representing the patterns.

Personal, Social & Emotional Development

PSHE

The class will focus upon Being Me in My World. This unit will explore the children's hopes & fears for the coming year, rewards & consequences, valuing contributions, making sensible & safe choices as well as looking at rights & responsibilities.

RE

This half term we will learn about the Christian God. We will also attempt to answer the question: Does how we treat the World matter?

Knowledge & Understanding of the World

Science

The children will explore everyday materials and how they are used within our homes and school. We will name different materials and sort them into categories.

History

The children will focus upon King James the 1st, Guy Fawkes and the Gunpowder plot. The class will learn about the historical events that lead to this moment in history and will also be able to suggest why we celebrate Bonfire Night.

Geography

This half term, the children will be answering the question 'would you prefer to live in a hot or cold place?' The children will learn about the equator, continents and comparing Kenya to the UK.

Computing

This half term, we will use search engines safely to help find and upload relevant information, create digital art using text, create word processed documents, and look closely at what technology is used around us.

DT

We will be focusing on nutrition this half term. The children will be designing a healthy wrap.

Art

This half term we will be a cutting, shaping, joining materials to create abstract 2D & 3D form. We will be looking at the artist Joseph Albers.
