

Autumn 1 - Year 3

Communication, Language & Literacy Literacy

We will be using Satoshi Kitamura's book Stone Age Boy as a stimulus for writing this half term. We will be writing fictional stories with historical settings.

French

In French Our very first Language topic is called 'A New Start.' We will be learning to ask and answer our names; ask and answer simple questions about feelings; count from 0-11; name six colours.

Problem Solving & Reasoning

Maths

To begin the year, we will be focusing on place value and numbers to 1000. Then we will study addition and subtraction, before starting to learn multiplying and dividing.

Creative Development

PE

This half term our PE topics are football and Dances from around the world.

Music

Our topic to begin with is called Hear it, play it! Exploring rhythmic patterns. We will be feeling and coping pulses and patterns, responding to them, performing some before creating out own rhythmic patterns.

Personal, Social & Emotional Development

PSHE

Our PSHE topic is 'Being Me in My World'. We will be looking at: Setting personal goals; Self-identity and worth; Positivity in challenges; Rules, rights and responsibilities; Rewards and consequences; Responsible choices; Seeing things from others perspectives

RE

This half term, we will be learning about Christianity. We will be focusing on the question, 'What does it mean to be a disciple of Jesus?'

Knowledge & Understanding of the World

Science

Our new science topic is Light and Dark - we will be learning about the behavior of light and the formation of shadows.

History

This term, we will be studying the changes in Britain from the Stone Age to the Iron Age. We will learn how early man began as hunter-gatherers and then developed to form settlements.

Geography

Our key question this term is 'Are all settlements the same?' We will be looking to use maps to find and locate things. We will learn what the difference between villages, town and cities is and the different types of land use.

Computing

This half term we will be learning how to create documents using different apps and our Programming focus will be 'animations'.

DT

In DT we will be making pneumatic toys. The children will be creating their own toy with a pneumatic mechanism

Art

We will be completing a unit called Growing Artists, with a botanical theme. We will learn the use of shapes, shading, and texture in art to enhance our drawing skills in order to give a sense of light and dark in our work. We will be experimenting with different tools to create expressive and abstract art.

Artist focus: Georgia O'Keeffe
