

## Spring 1 - Year 6

Communication, Language & Literacy

### Literacy

We will be using Jo Hoestlandt's 'Star of Fear Star of Hope' story, to inspire lots of narrative writing. Set in France during WW2. It's a great way to start our study on the World Wars.

### French

Our new languages topic this half term focuses on learning more about New Year celebrations and sports.

Problem Solving & Reasoning

### Maths

We will be starting an in depth study of fractions, decimals and percentages.

Creative Development

### PE

This half term our PE topics are flag football and dance. We will also be doing lots of amazing outdoor activities during our residential at Robinwood.

### Music

We will be starting a unit exploring musical effects and moods.

Personal, Social & Emotional Development

### PSHE

Our PSHE topic is 'Dreams and Goals'. We will be reflecting on our strengths and areas we would like to improve

### RE

We will be learning about Buddhism and exploring the question, 'What do we mean by a good life?'. We will also have a special visit from a Buddhist monk.

Knowledge & Understanding of the World

### Science

Our new science topic will focus on electricity.

### History

We will be starting a term-long study on the World Wars. This half term, we will be learning about WW1 and how it started as well as learning out the Holocaust through or class text.

### Geography

We will be exploring where our energy comes from, exploring renewable and non-renewable energy.

### Computing

This half term we will be learning how algorithms work and we will be learning about flowcharts. We will also be learning more about spreadsheets.

### DT

We will be tying in our science work on electricity to design and make our very own steady hand games.

### Art

We will be creating work for the HPAN Art Exhibition. After that, we will explore the work of artist Dan Fenelon.
