

Spring 2 - Year 2

Communication, Language & Literacy

Literacy

The children focus on the story - Major Glad, Major Dizzy. Here, the class will learn to write Diary entries writing by the toys themselves and will also focus on many other important sentence types to help extend their writing further.

Problem Solving & Reasoning

Maths

Our Singapore Maths units this half term will cover Addition and Subtraction, Time and Length.

Creative Development

PE

This half term our PE topics are Dance and Target Games.

Music

This term, the children will learn how songs and music can communicate different moods and emotions. They will investigate different ways to express the mood of a song by adding facial expressions and changing the timbre and dynamics of their voice.

Personal, Social & Emotional Development

PSHE

The class will finish the unit Dreams and Goals for the future. Then, the class will focus upon a unit called Healthy Me. This unit will explore how we can achieve a healthy body and mind. We will look at our own actions and try to improve them by making healthier choices.

RE

Year 2 will focus on Islam, and will attempt to answer the questions surrounding the importance of obeying God.

Knowledge & Understanding of the World

Science

The children will learn about Living Things and their Habitats. We will look at food chains, different types of habitats and what all living things need to survive.

History

The children will learn about the Great Fire of London! We will explore what we know about the events, question why it spread so quickly and will also discuss what happened as a result of the great fire.

Geography

This term, the children will focus on the question 'Why is our world so wonderful?' We will learn about some of the amazing UK landmarks and the worlds.

Computing

This half term, we will learn about basic rules of E-Safety, what components are inside a computer, create a multimedia e-book and explain how technology is used beyond school or home.

DT

The children will focus upon textiles and fabrics. They will then design and create a decorative pouch or bag.

Art

We will be looking at 3D models using paper arranged & manipulated in different ways inspired by Romare Bearden.
